Greg Daly

Developing glazes and colour using different blending tools

Greg Daly is internationally known and respected as a ceramic artist specialising in rich glaze effects, and also as the author of *Glazes and Glazing Techniques* (1995 Simon & Schuster). His work is represented in 24 international book publications, in 80 national and international art galleries and museums (including the National Gallery of Australia and the Victoria & Albert Museum, London), and he has won 36 national and international awards. He has held over 70 solo exhibitions and was President of Craft Australia from 1992-1995.

CSG Sunday July 8th 2018 Workshop

Come and join us at our new premises at 16a Balcombe Heights Estate where Greg will give a glaze workshop based around understanding materials, glaze composition, as well as tools to develop and change glazes. He will be using line and colour blends in particular, triaxial & square blends too. He will show how to mix up 28 glaze tests ready to apply in less than 30 mins, using a colour blend approach. An approach that will give you confidence to test and alter glazes easily and quickly.
